KU History

04

KU History has maintained the pride of the Korean people

KU was founded in 1905, when the Korean Peninsula was first being occupied by Japan, under the belief "Education Saves the Nation". Having devoted itself to the realization of causes such as freedom, justice and truth with every twist of Korean history, KU's history is the struggling of the Korean people. Playing a pivotal role in national development and democratization, KU now stands as the most trusted and admired private university in Korea.

Global KU: Now towards the New Millennium

From National Spirit to Global Hope

KU now intends to become a portal to the wider world. KU has been fulfilling its role as a leading university in Korea through ceaseless reform and innovation. With scholars boasting world-class research capacity, talented students and state-of-the-art campus facilities, it is now poised to enter the ranks of the worlds' top universities.

Inside KU's Icon

06

A Global Symbol, the First Step Towards a Global KU

The icon symbolizes KU's global vision to enter the ranks of world's top universities based on its century-old history and tradition.

"Shield", Education Saves the Nation

The shield symbolizes founder Yong-lk Lee's belief that "Education Saves the Nation", which lead to the establishment of KU.

"Crimson", the passion of youth

Crimson symbolizes vitality and passion, embodying KU's academic traditions and nature.

"Tiger", a roar that shakes the Earth.

As a symbol of both Korea and KU, the tiger represents KU's courage, determination, swiftness and dignity.

"1905", beginning of National KU

1905, the year of KU's establishment, demonstrates KU's 105 year tradition and depth of academic research.

"Liberty, Justice, Truth", what makes KU people true KU people

School Motto

The school motto announced in celebration of KU's 50th anniversary represents the realization of human freedom (LIBERTAS), the pursuit of justice (JUSTITIA) in society and an overflowing passion for the search for truth (VERITAS). Intellectuals in action with passionate hearts, not numb and engrossed in texts, are KU's everlasting value; this ideal is what makes KU people true KU people.

KU Tree

The Korean pine which represents fidelity and integrity, perfectly expresses KU's strong will to serve as a cradle for talent.

07

KU's School Song

KU's school song, heard at nine every morning resounding from the clock tower of the College of Liberal Arts building, was announced to celebrate KU's 50th anniversary in May 1955. The lyrics were written by Ji-Hoon Cho, a member of the famous coterie of poets called the Blue-Green Party and a KU professor at that time. The poet was also well known for the poem Seungmu (Buddhist Dance) in which every line contained liberty, justice and truth, the three words representing KU's spirit. The music was written by Isang Yun, a promising young composer at that time.

Lyrics by Cho Ji-hoon

Music by Yun Isang

1. Gaze at the edifice standing tall at the foot of Bukak Mountain. See the light spreading to the hills of Anam. The stone tower is built tall with the spirit and devotion of the people. This is the hall of liberty, justice and truth.

2. Waves of hearts longing for liberty. Conviction for justice. Burning devotion. Honoring the wishes, the ideal rises high. This is the light of liberty, justice and truth.

3. The quiet woods are the cradle of our dreams. The wide fields are the root of our power. The spirit held tight both by those entering and moving onward. This is the road of liberty, justice and truth.

Korea University, Korea University, hometown of my heart.
Korea University, Korea University, shine forever.

Made in KU

10

KU impacts the World, World's Firsts and World's Bests Will Continue

Published an Earth Science paper in the journal Science for the first time as a Korean.
Listed in American Biographical Institute (ABI).

Won a prize in the Marketing World Cup.

KU was ranked 150th among the top 200 universities in the world as selected by The Times of the UK, the highest ranking ever for a private Korean university (2006).

KU was ranked first in Korea in the Joongang Daily's college evaluations in the categories of social advancement, leadership and organizational behavior.

11

The Value of “Made in KU” Will Continue

Joined with 14 international universities in the conferment of a Joint Doctorate, a first in Korea

After joining Universitas 21, an international network of leading international universities, in 2004 as the first Korean university, KU hosted the 2009 Universitas 21 Symposium & Annual General Meeting and agreed to establish 'The world's 14 universities' joint doctorate program'. (Universities joining were The University of Auckland (New Zealand), The University of Virginia (United States of America), The University of Dublin (Republic of Ireland), University of Delhi (Republic of India), Hong Kong University (Hong Kong), The University of Nottingham (England), University of Birmingham, The University of Edinburgh, The University of Glasgow (England), University of Melbourne, University of Queensland (Australia), University of British Columbia, McGill University (Canada). It was unprecedented for 14 global universities to confer joint doctorates, and KU was the first in Korea to join this program.)

Korea University Great Korean Dictionary was Published, a First for a Korean University

Celebrating 2009 Hangeul Proclamation Day, Korea University Institute of Korean Culture published the "Korea University Great Korean Dictionary" which benchmarked the Oxford English Dictionary. The dictionary, an outcome of a 17-year effort, listed more than 390,000 word entries. It was the first dictionary published independently by a university institute. Reflecting words used in real life, the dictionary included 40,000 new words, such as Kkotminam (pretty boy), B-boy, and avatar, which had gone unlisted in existing Korean dictionaries.

Korea Techno Complex, the First Industry-Science-Research Collaboration Complex in Korea

Korea Techno Complex was established as the first of its kind in Korea in 1996. It is among the win-win efforts to attract industry and research centers to campus and create a practical cooperation system center for an exchange between field knowledge, the academic approach and talented research personnel. By doing so, KU was able to improve its engineering education and the industry was able to maximize the efficiency of industrial research development.

Campus Facilities

Exceptional campus facilities – Delivering the hopes and vision of KU's

What is as important as attracting potential is supporting it with the best possible campus facilities. At KU, the talent who will lead the future of Korea and the world are nurtured in an ideal educational environment.

Main Library

Opened in 1978, the Main Library contains about 800,000 works--the largest collection in any private university library in Korea. This beautiful 14,546m² stone structure was completely remodeled in 2004. Equipped with such state-of-the-art facilities as search functions for each room, reference information rooms, and Web-based learning corners, it serves as a proud heart for KU intellectuals by supporting students' academic research activities.

LG-POSCO Hall

This cutting-edge building was completed on a 14,122m² site with KRW 25 billion in funds donated by corporations and alumni. Incorporating the best features of similar facilities at Harvard, Stanford, and the University of California, Berkeley, it is one of the world's premier Business Administration complexes.

Centennial Memorial Hall

Completed in commemoration of KU's centennial, this multiplex unites the past and the future by housing both a digital library and a number of national treasure-level cultural properties.

Haesong Law Library

Opened in 2007, the Haesong Law Library boasts the largest collection of any Korean law facility. Awarded the grand prize in the 2007 Korean Architectural Culture competition in recognition of its cutting-edge functions, unity of composition, and materials, the building is a stirring symbol of KU's highly-regarded law school.

Centennial Digital Library

Being the world's finest both in terms of facilities and size, this high-tech information center plays a pivotal role in maintaining electronic library services.

Humanities Building

Completed in 2010 on a site of 12,667m² with seven stories above and one below ground, this building is dedicated to global education and research. Both the inside and outside of the building are well equipped with convenient facilities for the disabled, such as electronic desks.

Hana Square

This gigantic structure of 28,099m² stretching from east to west in front of the Science Library includes one story above ground and three below. Appearing like a ship floating on the ocean, the structure boasts grand beauty with a charming and practical design. Winner of the Award of Excellence in the 25th Seoul Architectural Work Award, it now stands as a proud landmark of KU.

CJ-International House

This hotel-type residential facility is designed to serve the growing numbers of visiting scholars, foreign professors and exchange students. Equipped with study rooms, cafeteria, lounges, conference rooms, a fitness center, and the YBM Lounge, it can accommodate 326 residents--68 instructors and 258 students.

Hwajeong Tiger Dome

Completed in 2006 on a 18,182m² site, this multi-purpose sports complex with three stories above ground and three below helps students and faculty members maintain good health.

The Cradle of Global Leaders

At KU, which has joined hands with 744 universities and institutes in 78 countries, world renowned scholars offer lectures and the largest international summer campus in Korea is held. Students benefit from an exchange program in Paris and internships at the UN and on Wall Street –This is KU and KU is in the wider world.

Global KU Campus Around the World

Under the VSPs (Visiting Student Program) signed with prestigious universities around the world, KU sends a large portion of its students to universities abroad. For this purpose, KU has been developing the Global KU Campus to provide dormitories for KU students studying abroad and help them study in the best possible environment and adapt to local conditions. The Global KU Campus is now in operation at the University of British Columbia in Canada, Royal Holloway University of London in England and Ren Min University in China. International exchanges are also highly active with such universities as King's College London in England, Griffith University in Australia, University of California, Davis, and University of Pennsylvania, where KU operates its overseas campuses.

KU Heads Towards the World, The World Heads Towards KU

18

ISEP with 292 Prestigious Schools Worldwide

ISEP (International Student Exchange Program) includes 292 member institutions in 44 countries throughout the world. KU is one of the select number of member universities in Korea to join the program. Every year KU students taking part in ISEP's various exchange and study abroad programs gain invaluable experiences together with 21,000 students from other member institutions throughout the world.

Overseas Internships Open Only to KU Students

KU's specialized overseas internship program sends a number of talented interns not only to international organizations such as the UN and UNESCO, but also to renowned global corporations like UBS, Merrill Lynch, Tiger Fund, GE, and Bloomberg in New York, Paris and the third world. The number of corporations and institutions affiliated with this program is growing every year.

Foreign Language 7+1 Program

KU has also adopted the "7+1" system, which makes it a prerequisite for students majoring in foreign languages to study for, out of a total eight semesters, at least one semester overseas in a country where their target languages are spoken as a mother tongue. This special program offers students the opportunity not only to polish their language skills to a native speaker level but also to learn the culture and broaden their full spectrum of understanding as they develop expertise in the foreign languages and literature which are considered a must in this globalized world.

International Summer Campus

KU's International Summer Campus offers over 100 challenging courses taught by distinguished faculty from prestigious universities around the world as well as Korean culture workshops, field trips, and a special lecture conducted by noted experts. Students participating in the International Summer Campus attend top lectures by internationally-renowned scholars and exchanges with international students from all over the world.

Taking Language Courses on Campus – Lectures Taught in English

All KU students are required to take a minimum of five classes related to foreign languages. Moreover, a growing number of lectures are presented in English, surpassing 60% of the total by 2015. More than 100 international faculty members have been recently recruited after a thorough screening process to guarantee quality lectures. KU students are now educated in a global environment perfect to prepare them for the global stage.

KUBA (Korea University Buddy Assistant), a One-on-One Buddy Program Between International and KU Students

KUBA (Korea University Buddy Assistant) is an one-on-one partnering program between local KU students and international students studying at KU. Through KUBA, international students get help with their new lives in Korea both on and off of campus, such as classes, trips and international festivals. KU students get to develop friendship with their international schoolmates.

Filled with Crimson Passion and the Energy of Youth

Experience the joys of sharing and service through KUSSO (Korea University Social Service Organization). Develop friendship through competition at the Ko-Yon-Jeon (Korea-Yonsei Games). Make memories and enjoy the excitement of student club activities at the Great Granite Tower (Seoktap Daedong) Festival. Communicate and nurture a burning passion and lofty dreams. These are proud KU Tigers.

Annual Ko-Yon-Jeon (Korea-Yonsei Games), Competition and Friendship that Lead Korea

Each fall, Jamsil Stadium comes alive with the competition and friendship between longstanding rivals Korea University and Yonsei University. The origin of the Games dates back to the Japanese colonial period when the two rivals Bosung College and Yonhi College began holding sporting events that helped many Korean people endure the hardships of colonial rule. Over the past 80 years, Ko-Yon-Jeon has radiated the burning passion of youth, having become a festival of not simply two universities, but also the whole country. Today, together with the five matches of football (soccer), baseball, basketball, ice hockey, and rugby, the Games have developed into a variety of celebrations such as joint academic and broadcasting events and exchanges among departments and clubs. Ko-Yon-Jeon and the two prestigious rival universities will continue in everlasting friendship.

Over the past 80 years, since the period of Japanese colonial rule, Ko-Yon-Jeon has radiated the burning passion youth, having become a festival of not only two universities, but also the whole country.

21

Great Granite Tower Festival, Festival of Resurgent Youth

The Great Granite Tower Festival (Suktap Daedong Festival) in May is KU's premier festival, inviting not only the wider KU family but also the local community. The festival fills the entire campus with the energy of youth. During the festival a variety of events are held and the intellectual spirit and romance of the campus are felt everywhere. The cheering festival Ipselenti, the most passionate and popular event, academic seminars of sharp analysis and discussion, joint broadcasting events with Yonsei University and street festivals on Chamsari Street go on all week.

KUSSO (Korea University Social Service Organization), Living the True Value of Sharing

Since its launch on December 23, 2008, KUSSO has been working vigorously to practice "noblesse oblige" under the motto of "Intellectuals to take action, leaders to think, a university to serve the society". In order to fulfill the responsibilities of true intellectuals required by our times, it strives to make greater efforts to serve not only Korea but also all humankind everywhere in the world.

290 Thousand Tigers Burning with Passion

Club activities to support dreams, love and romance

Student club activities are often considered the gem of campus life. Joining others who share similar hobbies, interests and talents and growing together are an essential pleasure in KU life. Including the 80 clubs on the Anam campus focused on social sciences, exhibition and creative art, language studies, sports and a further 18 at the Aegineung (Science Campus) covering science and technology, literary art and general studies, there are over 100 clubs on the Anam and Sejong Campuses.

KU Paper, KTN, KUBS, Driving Force of the 21st Century Media

The KU Paper, the first university newspaper launched in 1947, is delivered to KU students every Monday and features on- and off-campus news analyzed with sharp perceptiveness. KUBS, launched in 1961, is the on-campus broadcasting system representing the students' voices. It runs regular audio and internet broadcasting. Opened in 1997 as the first campus TV station, KTN broadcasts news and more for 24 hours a day through an on-campus CATV network and the Internet.

Student Ambassador Yeoul, Pride Surpassing the Face of KU

Yeoul, KU's student ambassador team, was launched in 1998 to help spread the word about KU. Yeoul, meaning "Let KU flow", expresses the pride of student ambassadors. Serving as the face of KU through their love for and pride in the school, Yeoul not only serves visitors on campus but also goes off campus to run a variety of PR programs.
